National Council for Therapeutic
Recreation Certification®

Protecting and Promoting Since 1981

Why should you consider becoming a Certified Therapeutic Recreation Specialist (CTRS®)?

The CTRS®:

Is the most professionally advanced recreational therapist in the field

Gains a superior edge in today's fast growing and demanding job market over non-credentialed practitioners

Represents the benchmark of quality recreational therapy services

Possesses the oldest and most well-recognized credential within the field

Helps ensure safe and effective recreational therapy services

Earn the CTRS® credential and earn the position you deserve!
