May Recertification and Annual Maintenance Reminder

Is it time to renew your CTRS® Certification or pay your annual maintenance fee?

NCTRC will soon be undergoing a comprehensive update of our online systems. If you are due for your annual maintenance or to recertify by June 30, 2017, you must submit your application and fee **BEFORE THE DEADLINE OF FRIDAY, JUNE 16.**

As we work behind the scenes, setting the stage for implementation of a full suite of new and improved features, we will be unable to accept any applications between June 19-July 31.

Thank you for your patience, and please visit www.NCTRC.org on or after August 1.

Please contact us if you have any specific questions pertaining to your annual maintenance or recertification.

For your convenience, the recertification process and annual maintenance can be completed online by visiting [MY NCTRC LOGIN](#).
